# Universal Credit migration

**If you've had a Universal Credit Migration Letter, please don't ignore it, as your benefits may stop.**

If you claim any of the benefits listed below, you're likely to receive (or may have already received), a 'Migration Notice' letter from the DWP telling you to claim Universal Credit (UC):

▶ Child Tax Credit    ▶ Housing Benefit    ▶ Income Support  
▶ Income-based JSA or income-related ESA    ▶ Working Tax Credit

Your move to Universal Credit doesn't happen automatically. You must actively claim Universal Credit within the three-month deadline in your letter. If you don't make a claim in time, your benefits will stop.

## **Transitional protection**

If it looks like you'd get less on UC than you do on your current benefits, you'll receive an extra payment to make up the difference. This is known as 'transitional protection'. To get this you must make your claim within the deadline.

## **Already moved to Universal Credit?**

If you've already had a letter and moved across to Universal Credit, you don't need to do anything else.

## **Need support?**

Your Housing Officer can help you with this. Please get in touch:
